

N.I. Children to Lapland
and Days to Remember Trust

Can your school help give local children and their families one day of joy to forget a lifetime of suffering?

MISSION STATEMENT
To give terminally ill, life limited and deserving children from across Northern Ireland a truly magical day, creating excitement and memories which they and their families will cherish forever.

We would be more than happy to visit your school to discuss further or do a brief presentation at your school assembly. Further information and a 6 minute DVD can be found on our website

www.nichildrentolapland.com or call **07710 731517**
